At 1:30 p.m., the meeting was put into a non-public session. The statement read by Catrina Watson. Seconded by Joi Smith. Vote yes by all present.

“I move to enter into non-public session for the purposes of, including but not limited to, discussing matters pertaining to a fatality review during which it is anticipated that information and issues will be discussed which would likely adversely affect the reputation of persons. Further, it is anticipated that there will be discussions about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical and other files and information whose disclosure would constitute an invasion of privacy all pursuant to RSA-91-A:3, II © and RSA 91-A:5, IV”

Time allotted | 2 hours | Agenda topic: Case Reviews: Drownings | Presenter Various Members

This portion of the meeting is non-public and the records are sealed.

Meeting has put back into public session at 3:03 pm.

"I move to seal the minutes of the non-public session because the disclosure of those minutes would likely adversely affect the reputation of persons and there was a discussion about, including but not limited to, documents pertaining to internal personnel practices, confidential information, personnel, medical, and any other files and information whose disclosure would constitute an invasion of privacy"

"The minutes are now sealed"

The statement was read by Catrina Watson. Seconded by Joi Smith. Yes by all present.

The meeting was open to other business, but there was none.
